

Studio Closure: The studio will be closed...

Dec 15th- Jan 7th for Christmas Break

Spring Semester Classes:

It's that time of year! Wanna add a new class? Try something different? December is the time of year! Let Miss Nikki know through email if you'd like to add any new classes! There are no changes in schedule.

Competition Prep Class:

Do you know what it takes to become a competition kid? Well, here's what you need to start doing to prepare!

1. Start taking Competition Prep for technique. Anyone wanting to audition for Competition Team this Spring MUST take this class for at least one semester before auditioning.
2. Get into a Ballet Class. If you are taking ballet already... Great! You are one step closer to becoming a comp kid! Ballet is a great place to learn the basic techniques that you will use in every dance.
3. Are your parents willing to travel? Our team kids travel sometimes for competitions and conventions. We only go as far as Utah, but try to stay as local as possible. You have to be able to commit to them or being a team kid might not be for you.
4. Do you miss a lot of dance for other things? We require our students to be in their classes. If you wanna miss class to go out with your friends or just don't feel like coming to practice, that counts as unexcused. We only allow 8 unexcused absences for the whole year in all of your classes. It does affect the rest of the team when you aren't there to practice and learn your dance. If you miss too much dance your team feels unprepared and most likely you will too and it's never good to go on stage unprepared.
5. We are a drama free zone! Enough said. 😊😊

Operation Christmas Child Nov 1st-10th:

We're so thankful to you all for helping with Operation Christmas Child! We successfully filled 15 boxes!

Invoicing: December Invoices are due Dec 1st-10th. On the 15th, we will add a \$25 late fee. Reminder: No refunds will be given for missed classes and tuition will not be prorated for shorter months and/or if you have signed up half way through the month.

You can pay thru QB online invoice sent to your emails, or you can pay cash or card when you come into the studio.

As always, if you have any questions, please don't hesitate to reach out!
