

Studio Closures:

April 10th & 11th

Invoices

Invoices must be paid in full **BEFORE** Spring Recital. Invoices that are not paid in full by May 15th risk their student not being included in Spring Recital and will be sent to collections. Due to so many past due invoices, there will be **NO** recital shirts this year.

Costumes:

We still have some costumes that need to be picked up! All costumes need to be signed out by an adult! Although we have measured everyone and ordered based off of their measurements, we encourage you to have dancers try on their costumes at home to ensure they fit. If there are any sizing issues, please let Miss Nikki know ASAP so she can get the correct size ordered! Any costumes that are not paid for yet, will be held until paid in full.

Recital May 24-25th:

Recital Packets will be emailed out April 1st with all information! We will be at the CSI Fine Arts Auditorium this year!

Tights & Shoes

Tights and Shoes are not a part of the costume fee. If you need tights or shoes for any class, please let Miss Nikki know ASAP so she can get them ordered!
