Recap of Our 2nd Month of Dance Classes -

October was a month filled with movement, joy, and growth here at the studio! We're so grateful for each dancer's dedication, creativity, and heart. Here's a look back at what we've been up to:

Fall-Themed Classes and New Choreography - This month, many classes embraced the autumn season with themed warm-ups, fall-inspired routines, and creative combinations. From lyrical explorations of "falling" to celebrating the beauty of change, dancers were encouraged to embrace their unique journeys.

Biblical Lessons on Hard Work and Joy in Dance - Our classes focused on integrating spiritual lessons into our training, including reminders of hard work and unity, as well as experiencing pure joy in movement. Verses like Philippians 2:2 encouraged dancers to find joy in each other, while reminders from Colossians 3:23 helped dancers give their all for God's glory.

Ballet and Pointe Sessions - Dancers worked on building strength, ankle stability, and artistry, with special themes like The Firebird and fall-inspired exercises. Our classes practiced leap progressions and épaulement, helping each dancer refine their skills with intention and grace.

Growing In Grace Lyrical Worship - Dancers have been studying the book "Twelve Women of the Bible". So far we've learned about Eve, Rebekah, Abigail, Hannah, and Leah!

As we move into November, we're excited to continue our dance journey and celebrate gratitude together. Thank you for being part of this amazing season at GDA!

With love,

Miss Nikki
